

## **Instructions for Authors of Accepted papers in ICI-2023**

Accepted papers have two categories:

1. **Full length/Regular:** Maximum length of the Camera-Ready Copy (CRC) will be **6 pages** including references.
2. **Short paper:** Maximum length of the Camera-Ready Copy will be **3 pages** including references. It will be treated at par with full length paper w.r.t. to proceedings as well as indexing in IEEE Explore and Scopus.

All authors are required to perform the following steps in order to ensure inclusion of accepted paper in the IEEE Xplore Digital Library:

### **Step 1:**

a) Please carefully prepare the **Camera-Ready Copy** (preferred MS Word only) of the accepted paper (Full length: 6 pages, Short: 3 pages) as per IEEE template.

[Click Here](#) to download MS Word Template The template can also be downloaded from the following web link: <https://www.ieee.org/conferences/publishing/templates.html>

b) Add following copyright clearance code notice on the bottom of the first page of CRC

**979-8-3503-4383-0/23/\$31.00 ©2023 IEEE**

Please check carefully title, margin, section, subsection numbering, figure and table captioning style, referencing style, etc. If your entire paper is not as per IEEE format, it may be rejected.

-----

**Step 2:** a) Create an account in IEEE PDF eXpress (Conference Id 60088X) at the following site:

<https://ieee-pdf-express.org/account/signup>

b) Log into the IEEE PDF eXpress site to validate the prepared Camera Ready Copy (CRC) of the accepted paper and generate the PDF of your CRC.

c) Download the validated PDF copy of the CRC.

d) [Click Here](#) for How to Use IEEE PDF eXpress

-----

**Step 3:** a) Accepted authors will receive an email from IEEE website/Publication Co-Chair for entering the details of copyright in **IEEE Electronic Copyright form (eCF)**.

-----

**Step 4:** Rename the files (**file names should be under 50 characters**) as per the following instructions:

a) CRC (obtained from Step 1 b) → PaperID\_FirstAuthorName\_camera.docx

b) Validated PDF CRC copy (obtained from Step 2 c) → PaperID\_FirstAuthorName\_validated.pdf

c) Downloaded E-Copyright (obtained from Step 3) → PaperID\_FirstAuthorName\_eCF.pdf

where,

PaperID is the paper id of the accepted paper (EasyChair paperid) and FirstAuthorName is the First Author Name of the accepted paper

-----

**Step 5:** Upload the renamed files (from step 4) in the following Google link by **30 Oct 2023**

<https://forms.gle/W41hRuWggYyR9v9f6>

-----

**Step 6:** At least one author should register on or before **30 October 2023**. The details of the registration process are mentioned on the Conference Registration Web page.
